Fischer Homes' Orleans community hosts "ID A KID" event

FLORENCE, KY—Fischer Homes, in conjunction with the Boone County Sheriff's Department, will host its first "ID A KID" event on June 25th from 10 AM to 1 PM at its *Crescent* model home inside the company's Orleans North community in Florence. Orleans North is located off of Longbranch Road. Cost per child is \$1.

Law enforcement officials will be on hand to fingerprint and photograph each participating child. The fingerprints and photos will be added to ID cards, similar to driver's licenses. The Sheriff's Department will then keep a copy of each ID on file and provide a copy to the parents, in an effort to more readily track and identify missing children. The event is open to everyone.

"We're doing this for the safety of our children and our neighborhood," said Jenna Datillo, organizer of the event. "And while we're at it, we plan to make it a fun family day for everyone involved." Datillo's own 3-year-old son will be among the many children being IDed that day.

For more information, please call Jenna Datillo at (859) 384-9400 or (859) 991-2889.
